

MARCH 2006
VOLUME 2, ISSUE 3

Love, Hope, and Future for Life.

P O Box 980, Madison, MS 39130

HELP MAKE THE VISION A REALITY

It is amazing how God has blessed us the past few weeks. We have identified a potential source of funding for a temporary location. Due to a generous donation, we have the operating capital needed to secure a location so that we can apply for these funds. Brenda and Michael are working diligently to find the right location for The Christmas Village's temporary home. Thanks to many of you, we have made new contacts that have opened doors in various churches and other organizations.

What are our immediate needs to make the vision a reality?

- Property that will house 4-6 mothers and house parents (must have R5 zoning)
- Volunteers with grant writing experience
- Introductions to leaders in your church, community, civic club, or business
- Individuals, churches, and organizations that are willing to make a one time or monthly contribution(s)

Thank you for your prayers and your passionately sharing the vision of the Christmas Village with others. ***It takes you and your support to make The Christmas Village a Reality.***

Each according to his ability, decided to provide help for the brothers.

-Act 11:29

WORDS FROM THE DIRECTOR

Each of us is uniquely created by God for His purpose. The Lord blesses us with abilities, skills and talents that we are to use to glorify Him and help others. For example, the artists on our CD were blessed with the ability to sing. They all use that same talent in different way to share the Lord with other people.

What are your talents? I challenge you to take an inventory of your talents. Then spend some time in prayer and ask the Lord where those talents could be used to serve Him. If you have a passion for the unborn, women in crisis, or children and feel led to be part of The Christmas Village, please become a part of this ministry by sharing your time and talents in the way that you feel led.

Hallie K. Duckworth
Executive Director

Next Meeting
Tuesday, March 28th
at
Broadmoor Baptist
Church,
Room L202-220

6:30 -Introduction for
Newcomers
7:00 Planning Meeting
